He often directed plays with his fellow shipmates while at sea. Ron was a fierce warrior for causes he cared about, especially Truck Safety. Truck Safety Coalition President, Tami Friedrich deeply grieves his passing, **"I will be forever grateful for his friendship and advocacy. He will be deeply missed."**

"Ron personifies what TSC is all about. It takes tremendous courage and resilience to fight for change so that others may live after enduring such a horrific and devastating loss. We honor Ron and are grateful to have known him and his irrepressible spirit the years we were fortunate to count him as part of
